Preface

Within the boundaries of McDonough County, Illinois are more than a hundred cemeteries and gravesites ranging in size from a single burial site to the expansive Oakwood Cemetery at Macomb. Within these cemeteries are the remains of an estimated 40,000 individuals who have died since the first settler arrived here over 150 years ago. Graves of countless others are scattered over the countryside of McDonough County; but, exact sites of many of these resting places are no longer known for various reasons. During the early days of this county, there were obviously no central burial grounds; thus, a pioneer family having the misfortune of losing one of its members placed the deceased in a grave on a family homestead and erected a makeshift marker. A number of these family burial grounds later became public cemeteries, however, many of the grave sites soon became "lost". Crude wooden markers or hand engraved stone soon succumbed to the elements and were never replaced; scores of families moved further west after staying in this area only a short time and the gravesites of their loved ones shortly became insignificant mounds of earth; a number of families passing through this vicinity suffered individual losses. A prime example of the latter is contained in a history of Bethel Township. In 1830, four children of an emigrant family died while en route through McDonough County. They were buried near their places of death which occurred about two miles southwest of Fandon. All traces of those graves have long been gone. During the summer of 1834, a widow lady died at her home in northern Tennessee Township. Her coffin of dressed walnut lumber was built by a local cabinet maker and she was buried in the timber near her home. Within a few years, no evidence remained to indicate the presence of her final resting place. A family who created an excellent farm from the prairies a few miles north of Macomb, maintained a fenced family burial site for several years. This cemetery contained the graves of about 12 former family members. During the early 1900's, the farm changed ownership. Shortly thereafter, the new owner removed all the stones, took down the fence and this graveyard became part of a cornfield. These are only three of the countless incidents involving the total disappearance of burial sites. At this time, it is impossible to determine the locations of hundreds of individual's graves in this county.

Vandalism is responsible for the destruction of many grave stones. Countless markers have been partially or totally destroyed. Inscriptions have been obliterated by gunshot blasts, stones have been broken into dozens of pieces, and some markers have been entirely removed from their original locations.

While weather-wear and vandalism accounts for most of the destruction of individual tombstones, neglect is directly responsible for the eventual deterioration of graveyards. Several local cemeteries have had no protective fencing for a number of years and the grounds have become grazing land for livestock. Groundhogs and other burrowing animals have undermined large portions of various cemeteries. Some areas are nearly invisible because of massive growth of weeds and brush. Stones have fallen, broken, and become completely covered with soil and debris.

The overall condition of our county cemeteries is a pathetic case. While some grounds are well maintained, or at least partially kept-up by various families, many have been totally forgotten. This situation is appalling and should never have come about. Apparently, lack of time, expense, and most of all regard has brought about the present-day poor conditions of many of our rural cemeteries.

Genealogical notes accompanying the various cemetery listings were prepared from a wide variety of sources including: Local area history books and atlases; newspaper files; county, state, and federal archives; family histories. These notes were collected at random from readily available sources and little, or no attempts were made to search for material for more complete genealogies. These notes are presented only for the purposes of identification and/or clarification.

Every attempt has been made to present complete and accurate information. Readers will find errors and omissions. Others will not agree with portions of my findings; however, no information contained herein is based solely on assumption or guesswork. It must be remembered that this information has been prepared for use only as a tool for further research and that nothing must be taken as final and absolute.

The larger cemeteries contained in these volumes are accompanied by grave location charts. These charts in no way are intended to represent any professionally prepared plat or survey that may exist. Their preparation and presentation are solely for general location purposes.

When copying inscriptions from grave markers, it is sometimes impossible to read some portions of the engraving. Names, dates, ages, etc. that were found to be unclear or totally missing are indicated by the use of question marks or dashes, i.e., SPICER, James T., infant son of ?J.B. & S.J.?; d. ____; age _____. The letters or numbers enclosed in parenthesis following the inscription, indicated general location as indicated on the accompanying chart.

Abbreviations used are as follows:

b. born	m. months
Cav. Cavalry	md. married
Co. County/Company	sec. section
d. died/days	twp. township
dau. daughter	y. years
Inf. Infantry	

Time and space prohibits proper recognition for all those individuals who gave assistance in preparing and publishing these volumes. Deep and sincere appreciation is extended to all concerned, especially to the following: My parents, Mr. and Mrs. Lloyd Lester, and my wife, Rose; and to Mrs. Lavina Walton and other members of the Schuyler County Historical and Genealogical Society for printing and binding the finished product. Thank you.

Duane Lester

ADDENDUM

Mr. Lester's Magnum Opus is nothing short of monumental. It is not easy to gain access to many of these historic family burial sites. By the time of Mr. Lester's survey (1970's) numerous plots were long left abandoned, overgrown with trees and weeds and monuments under attack by weather, livestock, vandals, and property owners who did not care about the burial sites of McDonough County's brave pioneers. Thankfully, we now (2012) have laws to protect our county's historical legacy and these final resting gardens.

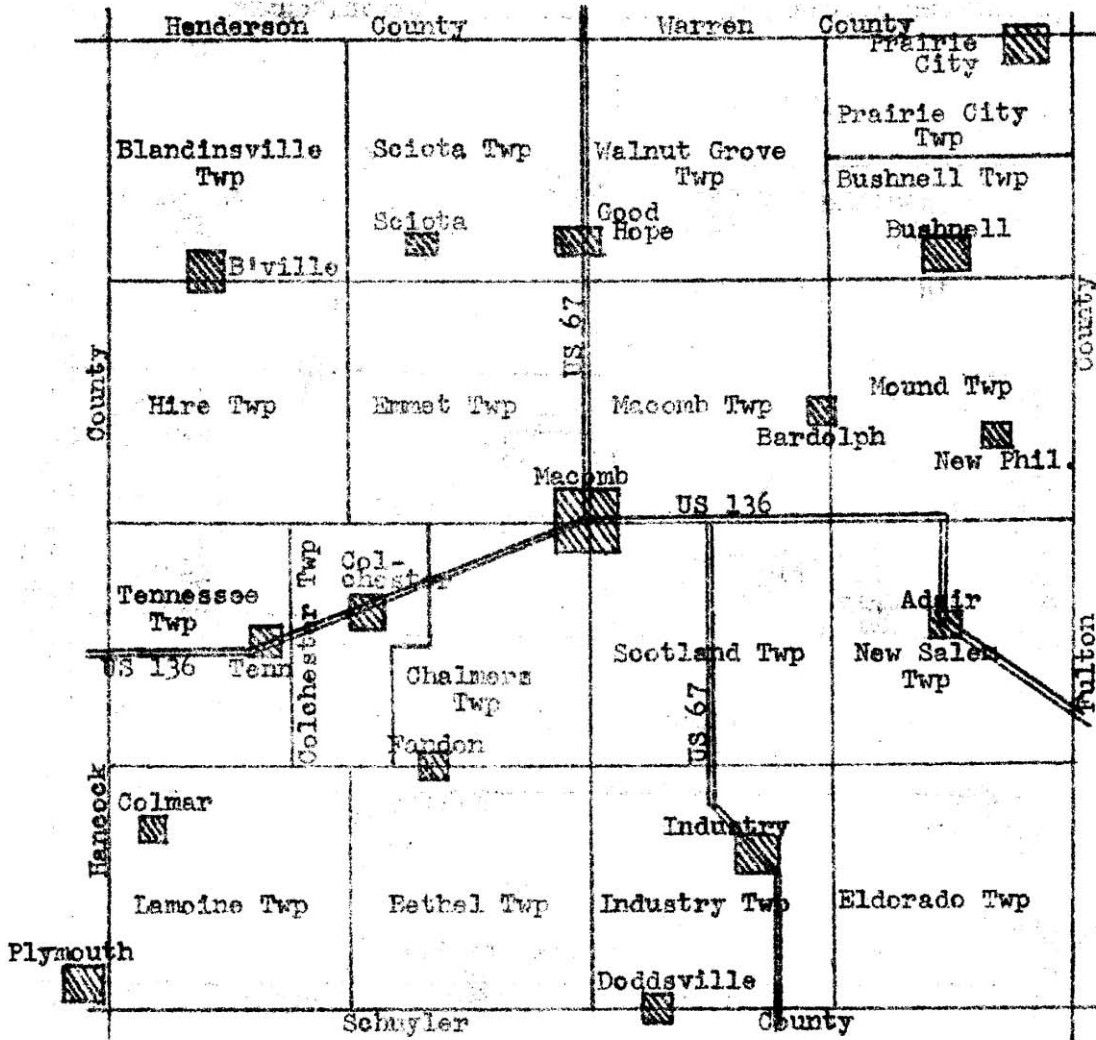

I am in awe of Mr. Lester for his transcriptions of hard-to-read tombstones and his laborious typing of his 18 Volumes of the Rural Cemeteries of McDonough County. He did not have access to a computer. In addition to transcribing information from tombstones, he had to painstakingly access county records (e.g. 1840 county tax list), federal census records, and local newspapers requiring a great deal of time and effort. As a genealogist in 2012, I have access to the internet with fast access to US Census records, Family Search (records kept by the Church of Jesus Christ of Latter-Day Saints) and numerous other legal documents, books, and family journals. Mr. Lester used an old-fashioned key-strike, ribbon tape typewriter where mistakes were hard to correct and appear as overstrikes. There are very few attesting to his skill as a typist. What an US Census record will not contain are the names and dates of infants who died between census surveys. Mr. Lester's tombstone records give names and dates of children, whose lives were brief, but would otherwise be lost to history without his efforts. Frequently, he provides names of brothers and sisters, fathers and mothers that allows for completion of family group sheets.

Another work of love for those who dared to settle the prairie lands of western Illinois and raise their families is being performed by Dr. A. Gil Belles. He has been able to install signs for each of these rural cemeteries and provide GPS (Global Positioning System) information making it easier for anyone wishing to visit a rural cemetery to help them actually find it. Gil also works closely with Boy Scouts and other civic groups to help cleanup, clear brush and dead trees, locate buried tombstones, and restore stones. My revision of Mr. Lester's document will provide information on all cemetery restoration projects.

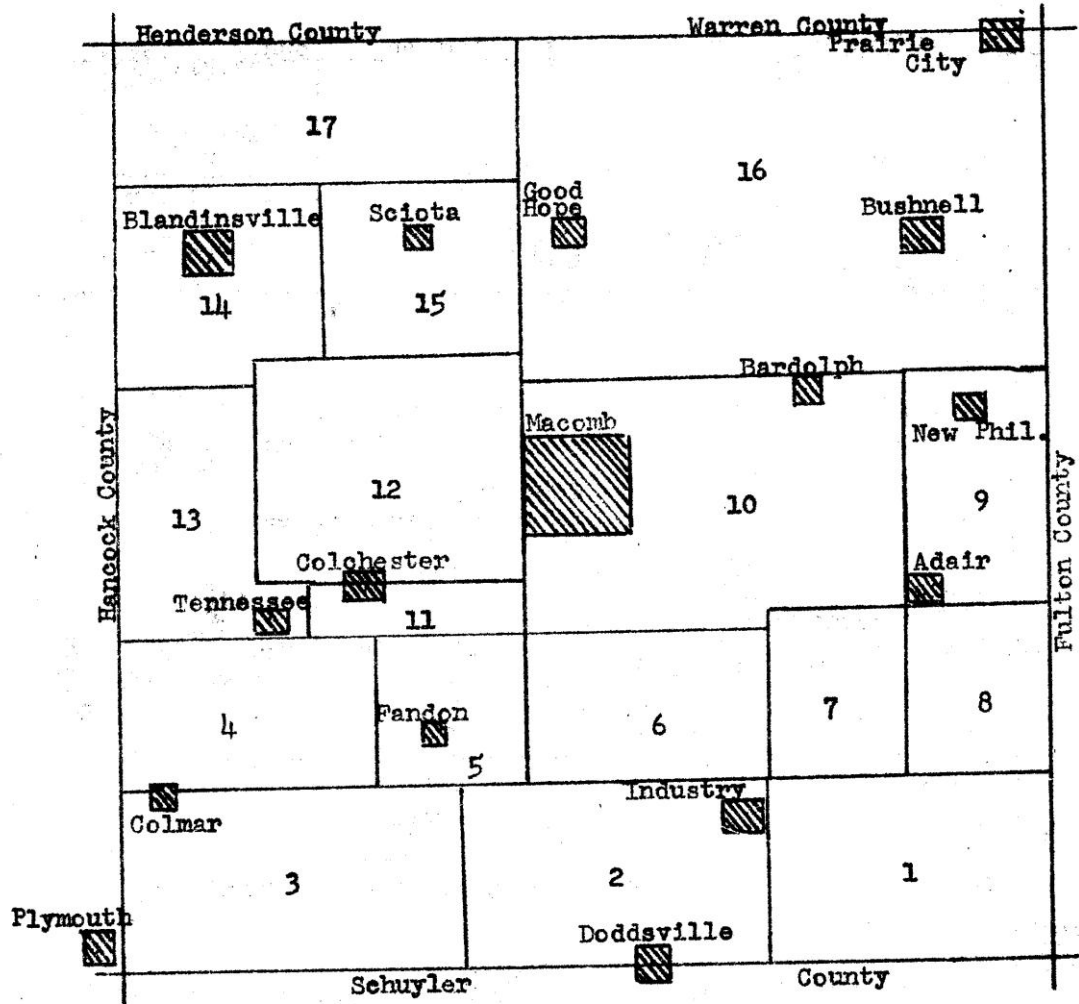

Any changes made to Mr. Lester's original work was done in blue color font. His maps were scanned and copied into the text and remain like his original work and are not subject to editing. His text was transcribed using MS Word, enabling me to control font size and color. Retyping text also leaves room for typo errors. Mr. Lester's rare typo errors are corrected but not displayed in blue. This MS Word document allows on-the-fly editing of any "Notes, Corrections, Additions, and Changes" found at the end of every cemetery. This was Mr. Lester's intent to produce a working document and improve accuracy about the information on those buried. I have retyped state abbreviations as they are now used (e.g. IL, instead of Ill.). On 1840 county tax lists I omitted cents (e.g. \$140, instead of \$140.00). The current MS Word font uses less space, thus, placing more text per line. This shrinks his documents and reduces pages. This, then, changes page numbering in each Table of Contents. Cemetery locations are also found on the internet. See: **McDonough County Illinois Cemeteries** <http://graveyards.com/graveyards/IL/McDonough>

BECKELHYMER GRAVE

Location: A single gravestone is located in Sciota Township, SE¼, Section 15. This gravestone is located about 2.5 miles northeast of Sciota halfway between E900 St & E1000 St about 100 yards north of N2100 Rd: 40° 35' 26.2" N: 90° 43' 18.6" W

Remarks: The inscription reads:

BECKELHYMER:

Sarah A., wife of A.; d. Feb 7, 1873; age 42y 1m 19d.

Genealogical Notes – Beckelhymer Grave

Only person by the name A. Beckelhymer located in any available reference is Alexander Beckelhymer, who served as a deacon in the New Bedford Christian Church in section 7, Walnut Grove Township, in 1876.

The 1871 McDonough County Plat lists John W. Lowe as owner of section 15 (SE¼). Possibility exists that Sarah A. was the daughter of John Lowe; a John Lowe and his wife Isabella died in the late 1870's and are both buried in Stickle Cemetery, Emmet Twp.

Alexander Beckelhymer was owner of 320 acres in section 11, 1870.

HAMILTON CEMETERY

Location: Walnut Grove Township: SE¼, Section 32; 2 miles southeast of Good Hope. This cemetery is located about 150 yards north of N1800 and 150 yards west of E1400 St (which links onto IL Hwy 9). The cemetery is in the SW corner of a wooded patch following a drainage area (Town Creek). Bridge is located on E1400 St. 40° 32' 41.6" N: 90° 38' 29.7" W

Remarks: Also known as the Walnut Grove Cemetery, as the cemetery was established in conjunction with the Walnut Grove Cumberland Presbyterian Church, established in 1838, which stood near this location until about 1879. This grave registration was completed in mid – 1973, and at that time the general condition of the cemetery grounds was extremely poor. There was no fencing and the area has been part of a pasture for a number of years. Edward entered military service on Jun 5, 1864 and later died while a prisoner of war at Memphis, TN. His father, Levi, was born in Adair Co. KY in May 1802. Levi's father was a native of Ireland and moved to this country with his parents and later bound out to pay his passage. He then served a total of 14 years under 2 different masters; got possession of his papers and ran away; returned to that area later and married there; then moved to Adair Co. KY. Levi married at age 25 to Malinda Creel, a daughter of Durham Creel, also of Adair Co. Two sons, Harrison and Uriah S., were born in KY. The Hamilton family then moved to McDonough Co. and subsequently settled on section 5, Macomb Twp. and lived there several years. Harrison attended local schools and Crerry Grove Academy near Abingdon, IL; on Jan 8, 1848, he married Rachel Balance, a native of Lincolnshire, England and a daughter of Joseph and Ann Welborn Balance. The Balance family immigrated to this country in 1831 and were in Chester, PA for about 2 years. They then moved to this county and lived in Macomb a few months. Balance then bought a farm, in 1837, on section 28, Walnut Grove Twp. Joseph's brother, John Balance, also settled in this area at that time but he later moved with his family to Kansas. Both were reportedly buried in this cemetery, however, no trace of their stones or other markers was located. Harrison's wife, Rachel, had lived in the Hamilton household for about 7 years previous to their marriage in 1848. Mr. & Mrs. Harrison Hamilton had 7 children: Annie M.; Albert W.; Joseph F.; William L.; Ellis W.; Mary J. and an infant who died in infancy. Albert and Mary also died at an early age. Genealogical Notes – Linn Grove [Lynn – Hageman] Cemetery

BROOKS: Thomas (1842-1910); native of OH; here in 1863 from Fulton Co. IL; owned 160A farm in section 23, Walnut Grove Twp. in 1871; property included cemetery grounds; was a vet. of Civil War.

FOX: Jane (d. 1882) (Death notice, in part, from The Macomb Journal, Feb 16, 1882): “Mrs. Jane Fox died at her home in Walnut Grove Twp. on Jan 20th; born in OH on July 18, 1831; she had been a resident of Illinois for 30 years. Member of Linn Grove Methodist Church.” Jane was the wife of B.F. Fox who owned 240A in sections 14 & 15, Walnut Grove Twp.; Mr. Fox was a native of the State of Virginia and moved to this county in 1864 from Henderson County, IL.

HAGEMAN: Martha A. (d. 1875) dau of Jesse D. and Sitha J. Thurman-Fruit Hageman. NOTE: This was neither of the 2 Jesse Hagemans noted below. Jesse D. was the son of Isaac and Susan Lickey Hageman and was born in Wayne Co. OH on Feb 5, 1839. In Nov 1839 the Hageman family moved to Cass Co. IL and Jesse was raised in that county; parents both died there --- father in Aug 1874 and mother in Sep 1885; Jesse D. was eldest of 8 children; moved to this county in 1861 onto a farm in the southeast quarter of section 23, Walnut Grove Twp.; this property had been purchased by his father, Isaac, about 3 years earlier. On Sep 4, 1862, Jesse married Sitha J. Fruit, wido of Alexander D. Fruit. She was a daughter of Bennett and Joyce Dunbar Thurman who settled in Prairie City Twp. in 1854 and later moved to Cherokee Co. KA. Her father died in KA in Oct 1869; her mother later lived with another daughter, Elizabeth McClure. Sitha J. was the 2nd child in a family of 11 and was born in Madison Co. KY on Feb 13, 1841. Jesse and Sitha Hageman had 5 children – Emma A.; Carrie C.; Edward F.; Martha A.; and Oliver N. Mr. Hageman owned about 160A in Walnut Grove Twp. and was the proud owner of an unusually large collection of books which he had collected over a period of many years.

Jesse (d. 1899) and Elizabeth (d. 1890) were the parents of William (d. 1929) Hageman.

Ida Alice, daughter of Jesse & Susan Hageman; the information on stone of Ida Alice Hageman indicating birth date as Jul 15, 1873; this is an obvious error; this date is most likely her date of death. Jesse Jr. was a son of Jesse and Elizabeth Hageman and a brother of William M.

William M. Hageman was born in Wayne Co. OH on June 27, 1834 and was a son of Jesse and Elizabeth Hageman; William was raised in OH and on Oct 16, 1856 was married to Sarah E. Jontz, a native of Wayne Co. OH. The couple then moved to this county and began farming on the northwest quarter of section 24, Walnut Grove Twp. Thirty years after moving to IL, Mr. Hageman owned over 700A of farm land, which included 320A in the State of Kansa and a farm in IA. William and Sarah Hageman had 6 children --- Henry J. married Francis Quigle and lived in this township; Harriet M. married John W. Zaring and moved to Washington Co. IA; Minerva married Clinton Gossard and later lived on the family farm in this township; Mary E. married George W. Brewbaker and lived in this township; Charles Ezra and William Leander; another child died in infancy in OH on Sep 5, 1857.

LANTZ: David W. Lantz was born in Sussex Co. NJ Oct 10, 1816 and lived there till about age 30 years; on Jan 1, 1842, he was married to Malinda Heminover in his native state; 4 years later, in June 1846, he and his family moved west and settled in Fulton Co. IL; they lived there about 12 years and then moved to this county and bought a farm in section 22, Walnut Grove Twp; he and his wife lived at this location until their deaths. The had 8 children --- Delphine who married Edward Dewey and moved to Farmer City, IL; Margaret married Emanuel Hageman and moved to near Leavenworth, KA; Watson married Lina Buck and lived in Walnut Grove Twp; Mary married William Lofton; Martha married Alvin Berber and moved to KA; Selma and David Edward; another son Albert, who was born in 1847, died in infancy. Mr. Lantz owned a 160A farm, the northeast quarter of section 22.

Malinda (Death notice, in part, from The Macomb Journal, Feb 16, 1882): "Melinda, wife of David Lantz, died on the 6th, inst. at her home near Bushnell, age 64y 10m 3d. She leaves a husband and 7 children."

LEMON: George Lemon owned 100A in the southeast quarter of section 2, Walnut Grove Twp.

LOFTON: Mary M. was a daughter of David W. and Malinda Heminover Lantz. She married William J. Lofton and they moved to Hancock Co. IL. The family subsequently returned to this township and Willie W. was born here in Dec 1894. He died at age 1 month of pneumonia.

WALTERS: J. N. Walters owned 160A in section 11, Walnut Grove Twp. He was born in IL and moved to this county in 1857 from Funton Co.

PRAIRIE CITY CEMETERY [ORIGINAL CEMETERY]

Location: Warren County, Greenbush Township; SE¼, Section 36; northeast edge of Village of Prairie City. It is located at the junction of Nassau St and 1st Ave (McDonough – Warren Co. Line):
40° 37' 42.16" N: 90° 27' 23.9"W

Remarks: Although this cemetery is located outside the boundary of McDonough, County, it is being included because of it being the former village cemetery of Prairie City. (The grounds are still owned and maintained by the Village). This cemetery was established about the same time that Prairie City was laid out --- in 1854 --- and was used as a burial ground until the new city cemetery was opened. A number of persons originally buried here were subsequently moved to the new cemetery, located in the northwest part of town, across the county line in McDonough County. The cemetery is in relatively good condition; however, it shows evidence of vandalism. A number of stones have been broken into several pieces; several were located under brush and heavy grass. The grounds are fenced on 3 sides.

PEARCE CEMETERY
[ARBERGHAST – PEARCE]

Location: Walnut Grove Township; NE¼, Section 26; 1 mile north, 4 miles east of Good Hope. [From IL Hwy 8 turn north on Waco Road and left on E1650 St about one half mile to N1950 and west about one mile\): 40° 33' 54.9" N: 90° 35' 51"W](#)

Remarks: Also known as Scottsburg or Arbogast Cemetery. This grave registration was completed in mid-1973, and at that time, the general condition of the cemetery was poor. Stones were overturned, broken, and buried; many were weather-worn to the point of total unreadability. Overall maintenance appeared poor, i.e., presence of brush, weeds, tree roots, etc. The grounds are well fenced on 3 sides; road frontage unfenced.

Jane Campbell Walker died during an epidemic on Oct 20, 1845; her father, Alexander, died 3 days earlier. On Jan 31, 1850, Andrew remarried; his second wife was Mrs. Mary Hogshett Noel. She was a native of VA and was a daughter of James Hogshett, and early settler in Walnut Grove Twp. He was born in VA in 1780, married there, moved to Highland Co. OH where his wife died in 1830. Mr. Hogshett then moved to Fulton Co. IL in 1833 and then to this county in 1837. He later returned to Fulton Co and died near Ellisville on Mar 8, 1861. Andrew H. and Mary Walker had 6 children: William A.; Cyrus A.; Montgomery Allen; Martha J.; Marion Alice; and Ellen M. The elder Mr. Walker taught school in this county for several years and was a veteran of the Mormon War. Of his 12 children by 2 marriages, 4 died at an early age; Margaret became the wife of a Mr. Michaels and moved out of IL; Alexander C. moved to Little River, KA; Joseph G. moved to MO and lived near Salisbury; Isabella married Mr. Scott and lived in Walnut Grove Twp.; Cynthia married Mr. Axtell and later moved to KA; William A. moved to Baileyville, KA; Cyrus A. and Montgomery Allen lived on the old family homestead in Walnut Grove Twp. Andrew Hammond Walker died at 5 AM on Jan 6, 1885. NOTE: No stone for the first Mrs. Walker, the former Jane Campbell, was located and her burial site is uncertain; however, it is assumed that she was buried here in the Pearce Cemetery in view of the fact that her parents and several other members of her family were interred here. The name on the stone adjoining Andrew's is obscured; however, it is undoubtedly that of Mary, his second wife.

WALKER (Cont'd): Margaret was the second wife of Alexander Walker and moved to this county along with her children and step-children in 1831.

Marion A., Ella M., and Martha J.A. were daughters of Andrew Hammond and Mary Walker.

WOLFE: Charles W. was a son of E.T. and Permelia Clark Wolfe. Mrs. Wolfe was a daughter of Edward and Mary Sandidge Clark. Her father died and Mrs. Clark then married Jonah Kindsay, a widower. Mr. Lindsay died in 1873 and his widow then lived with her daughter, Mrs. Permelia Wolfe. E.T. was born in Indianapolis in 1847 and was a son of Jacob and Mary Jane Tyner Wolfe, also natives of IN. The family moved to Prairie City, IL when E.T. was an infant. They farmed in this area the remainder of their lives. He and Permelia Clark were married in 1875; she was a native of this State. E.T. farmed and raised livestock in the Bushnell/Walnut Grove area until about 1904, when he moved to the City of Bushnell. He owned about 320A on section 25, Bushnell Twp. He and his wife had 5 children including Charles W.; Edward C.; and William.

ZIMMERMAN: (See ARTHURS).

McDonough County histories make note of the Pearce Cemetery and report that the first burial in this cemetery was that of Martha Walker; the second and third burials here were Frederick Dague and Mrs. Ephraim Banning, respectively. No stones or markers were located for the latter two. Frederick Dague reportedly died in 1839. He moved here from VA and worked for Gilmer Walker. Mrs. Banning, the third burial here, was the former Mary Potter, a native of VA. Ephraim Banning moved to Walnut Grove Twp. about 1836 and was unmarried; he worked in a saw mill for Abner Walker. Shortly after arriving here, he settled on a farm on section 34, returned to VA, and married Mary Potter. The couple then returned to Walnut Grove Twp. They had 3 children and Mary Potter died about 1840. Mr. Banning and his family moved to Brookfield, MO and Mr. Banning died there. His widow and surviving children then moved to the Chicago area.
